

Simplifying College Planning

Turnkey Lead Generation Consumer Workshop Program

Simplifying College Planning is a comprehensive, done-for-you marketing and lead-generation program designed to secure qualified appointments.

We provide a complete presentation with supplemental materials, automated digital marketing campaigns, sales training, and event support, allowing you to step into the role of a thought leader in the high-demand college planning space without the burden of building content from scratch.

Why Participate? Maximize Event ROI to Get More Leads.

Turnkey Content and Marketing: Attract qualified leads with ready-to-present materials that address clients' most pressing concerns and encourage participation.

Automated Event Promotion: Maximize your event attendance with built-in pre-and post-event email campaigns designed to keep registrants engaged, informed, and ready to book appointments.

Real-Time Lead Management: Optimize your event attendance by tracking and managing leads in real time, with all registrants delivered directly into your Simplicity Agent Center portal.

Comprehensive Presentation Training: Receive coaching on how to present the workshop material and best position yourself as a premier college-planning specialist.

51% Average Appointment Rate
