Guided by the principles of education, value, and partnership, Simplicity Wealth is a comprehensive wealth management platform that specializes in providing independent financial advisors, and by extension their clients, with holistic financial planning solutions. Led by a team of credentialed professionals, Simplicity Wealth delivers institutional-level investing and sophisticated technologies to help investors minimize risk and maximize potential return of their household portfolio. Simplicity Wealth was formed in 2019 as an operating company of Simplicity Group. For more information about Simplicity Wealth, please visit www.simplicitywealth.com.

Investment advisory and financial planning services are offered through Simplicity Wealth, LLC, an SEC-registered investment adviser. SEC registration does not constitute an endorsement of the firm, nor does it indicate that the adviser has attained a particular level of skill or ability.

Investing involves risk, including the potential loss of principal. No investment strategy, such as asset allocation or diversification, can guarantee a profit or protect against loss in periods of declining values. All investment strategies involve risk and have the potential for profit or loss. Changes in investment strategies, contributions or withdrawals, and economic conditions may materially affect the performance of your portfolio. There are no assurances that a portfolio will match or outperform any particular benchmark. Investors should carefully consider the investment objectives, risks, fees and expenses before investing. For this and other important information please obtain the investment company fund prospectus and disclosure documents from your Advisor.
