

Value-Based Investing

Our ESG (Environmental, Social, and Governance) and SRI (Socially Responsible Investing) investment options allow our clients to align their investments with their personal values and beliefs. It provides an avenue for our clients to support the companies and initiatives that pursue positive social and environmental impacts relating to environmental sustainability, social justice, or corporate governance practices. Alternatively, clients may decide to avoid companies that engage in certain activities.

Our sustainable portfolios screens include:

- ✓ Alcohol

Guided by the principles of education, value, and partnership, Simplicity Wealth is a comprehensive wealth management platform that specializes in providing independent financial advisors, and by extension their clients, with holistic financial planning solutions. Led by a team of credentialed professionals, Simplicity Wealth delivers institutional-level investing and sophisticated technologies to help investors minimize risk and maximize potential return of their household portfolio. Simplicity Wealth was formed in 2019 as an operating company of Simplicity Group. For more information about Simplicity Wealth, please visit www.simplicitywealth.com.

Investing involves risk, including the potential loss of principal. No investment strategy, such as asset allocation or diversification, can guarantee a profit or protect against loss in periods of declining values. All investment strategies involve risk and have the potential for profit or loss. Changes in investment strategies, contributions or withdrawals, and economic conditions may materially affect the performance of your portfolio. There are no assurances that a portfolio will match or outperform any particular benchmark. Investors should carefully consider the investment objectives, risks, fees and expenses before investing. For this and other important information please obtain the investment company fund prospectus and disclosure documents from your Advisor. Read this information carefully before investing.

Registration with the SEC or state does not constitute an endorsement of the firm by regulators, nor does it indicate that the adviser has attained a particular level of skill or ability.
